HOW CONSUMER RIGHTS AFFECT THIS PLAN

THE BENEFITS CONFERRED BY THIS PLAN ARE IN ADDITION TO ALL RIGHTS AND REMEDIES PROVIDED UNDER CONSUMER PROTECTION LAWS AND REGULATIONS. THIS PLAN SHALL NOT PREJUDICE THE RIGHTS GRANTED BY APPLICABLE CONSUMER LAW, INCLUDING THE RIGHT TO RECEIVE REMEDIES UNDER STATUTORY WARRANTY LAW AND TO SEEK DAMAGES IN THE EVENT OF THE NON-PERFORMANCE BY APPLE OR SERVICE OF ANY OF ITS CONTRACTUAL OBLIGATIONS.

1. The Plan

This contract (the “**Plan**”) governs the services provided by Apple under the above plans and includes the terms and conditions of the Plan, your Plan Confirmation, Plan Term (as *defined below*) (“**Plan Confirmation**”), and the original sales receipt for your Plan. Your Plan Confirmation will be provided to you at the time of purchase or sent to you automatically on your registered e-mail thereafter.

Benefits under this Plan are additional to your rights under applicable consumer laws, the manufacturer's hardware warranty and any complimentary technical support. The terms of the Plan apply in the same manner whether paid for on a one-time basis (“**Single-Pay Plan**”) or on a monthly basis (“**Monthly Pay Plan**”) unless otherwise noted.

The Plan covers the following equipment (collectively, the “**Covered Equipment**”): (i) the Apple Watch, HomePod, iPad (including an Apple Pencil and an Apple-branded iPad keyboard purchased for use with your iPad, referred to as an “**iPad Input Device**”), iPhone, or the Apple- or Beats-branded headphones listed on your Plan Confirmation (“**Covered Device**”), and (ii) the accessories contained inside the original packaging of your Covered Device. The Covered Equipment must have been purchased as new from Apple or an Apple Authorised Reseller where legal ownership of the Covered Equipment has been transferred to You, the Plan must have been transferred to You pursuant to section 9. Covered Equipment includes any replacement product provided to You by Apple under sub-sections 2.1 or 2.2 of this Plan.

You can find the price of the Plan on the original sales receipt as provided by the seller from whom you have purchased your Plan (a “**Reseller**”).

1.1 When Coverage Begins and Ends

Coverage begins when you purchase the Plan (“**Plan Purchase Date**”) through the date (“**Coverage End Date**”) specified in your Plan Confirmation (“**Plan Term**”), unless cancelled or renewed.

This Plan can be purchased only within 07 (seven) calendar days from all Reseller channels or 60 (sixty) days post Visual Mechanical Inspection check, diagnosis (if required), and video verification from limited channels/outlets of the original purchase date of the Covered Device, subject to the Covered Device not being physically damaged and in its perfect working condition.

This service contract is created for a period of 01 (one) year from the Plan Purchase Date, and the benefits covered under this Plan will be as per clause 3 below. The service contract will be expired automatically after the completion of the Plan Term, unless renewed for a period of 01 (one) year any time before the Coverage End Date by paying of the prevailing Plan Renewal Fees. The benefits covered post renewal, revised Plan Confirmation and the revised terms and conditions will be communicated upon the completion of the renewal process.

Your Plan Term will be enabled for 02 (two) years on interfaces including but not limited to checkcoverage.apple.com, coverage details in the settings app on your Covered Device, however, the coverage in the second year is subject to successful renewal of the Plan before the Coverage End Date, by payment of applicable renewal fees. Renewal may not be offered for certain devices based on the eligibility criteria of prevailing at the time of renewal.

2. What is Covered in this Plan?

2.1 Hardware Services for Defects or Consumed Battery (“Hardware Service”)

If during the Plan Term, you submit a valid claim by notifying Apple that a defect in materials and workmanship has arisen in the Covered Equipment or, in relation to Covered Equipment which uses an integrated rechargeable battery, where the capacity of the Covered Device's battery to hold an electrical charge is less than 80% (eighty percent) of its original specifications, Apple will either: (i) repair the defect at no charge, using new parts or previously used Apple genuine parts that have been tested and pass Apple functional requirements, or (ii) exchange the Covered Equipment with a replacement product that is new or comprised of new and/or previously used Apple genuine parts and has been tested and passed Apple functional requirements. All replacement products provided under this Plan will at a minimum have the same or substantially similar features (e.g., a different model with the same features, or the same model in a different color) as the original product. If Apple exchanges the Covered Equipment, the original product becomes Apple's property and the replacement product

is your property, with coverage effective for the remainder of the Plan Term. Apple may use Covered Devices or replacement parts for service that are sourced from a country that is different from the country from which the Covered Device or original parts were sourced.

2.2 Services for Accidental Damage from Handling (“ADH Service”)

If during the Plan Term you submit a valid claim by notifying Apple that the Covered Device has failed due to accidental damage from handling resulting from an unexpected and unintentional external event (such as, drops and damage caused by liquid contact) (“ADH”), Apple will, subject to your payment of the service fee described below, either (i) repair the defect using new parts or previously used Apple genuine parts that have been tested and pass Apple functional requirements, or (ii) exchange the Covered Device with a replacement product that is new or comprised of new and/or previously used Apple genuine parts and has been tested and passed Apple functional requirements.

Exclusions apply as described below.

Each time you receive services for ADH is a “Service Event.” You are eligible to receive unlimited Service Events for your Covered Device while the Plan is active, up to the date the Plan is cancelled or otherwise terminated. Requests for Service Events submitted and received by Apple after the Plan has been cancelled or terminated will not be covered by the Plan.

Important: Please refer to Section 3 for exclusions on provision of ADH Service. The following service fees* apply to each Service Event:

Particulars	Service fees
Apple Watch (excluding Edition and Hermès)	₹ 5,900
Apple Watch (Edition or Hermès)	₹ 6,900
HomePod	₹ 2,900
HomePod mini	₹ 1,290
iPad Pro	₹ 3,900
iPad (all other models)	₹ 3,900
iPad Input Devices:	₹ 2,500
iPhone: Screen-Only Damage:	₹ 2,500
Back Glass-Only Damage (not available on iPhone SE and iPhone models released prior to iPhone 12):	₹ 2,500
Other Accidental Damage:	₹ 8,900
Apple-branded headphones:	₹ 2,500
Beats-branded headphones:	₹ 2,500

*Fees include applicable taxes payable by you

ADH Service for an iPad Input Device will count as a separate Service Event from ADH Service of your iPad and count towards your 02 (two) Service Events, even if both your iPad and an iPad Input Device are damaged at the same time.

For iPhone – Screen-Only or Back Glass-Only Damage, the Covered Device must have no additional damage beyond either the screen or back glass damage, including, but not limited to, a bent or dented enclosure, that would prevent Apple from replacing either the screen or back glass on the Covered Device. Covered Devices with additional damage will be charged as iPhone Other Accidental Damage.

For an iPhone with both screen and back glass damage, but no additional damage beyond the screen and back glass damage, including, but not limited to, a bent or dented enclosure, that would prevent Apple from replacing the screen and back glass on the Covered Device, separate Screen-Only and Back Glass-Only service fees will apply to the ADH Service, but only one Service Event will be counted towards your two Service Events. Covered Devices with additional damage will be charged as iPhone Other Accidental Damage.

Screen and back glass repairs are not available on devices other than iPhones. Back glass repair is not available on iPhone SE and iPhone models released prior to iPhone 12.

The ADH coverage under this Plan is insured by Tata AIG General Insurance Company Limited (“**Insurer**”) pursuant to an insurance policy issued to Apple. For ADH coverage, Apple will provide for the Service Events under this clause 2.2 and will serve as your point of contact respecting such ADH Service. Apple will cover the costs of such Service Events in excess of your service fee.

Please note that if you seek service under this Plan in a country other than your country of purchase, the service fee will need to be paid in that country’s currency and at that country’s applicable rate – for further details, including regarding applicable fees by country, please visit the Apple support website at support.apple.com

2.3 Technical Support

Your Technical Support starts on expiration of the complimentary technical support provided by Apple, which starts on the date you purchase the Covered Equipment. Technical Support may include assistance with installation, launch, configuration, troubleshooting, and recovery (excluding data recovery), including storing, retrieving, and managing files; interpreting system error messages; and determining when hardware service is required or ADH coverage may be applicable. For purposes of this section, the term “Major Release” means a significant version of software that is commercially released by Apple in a release number format such as “1.0” or “2.0” and which is not in beta or pre-release form.

Apple Technical Support is limited to the following: (i) the Covered Equipment, (ii) the Apple-branded Operating System (“OS”) and Apple- or Beats-branded software applications that are pre-installed on or designed to operate with the Covered Equipment (“Consumer Software”), and (iii) connectivity issues between the Covered Equipment, a laptop or desktop computer, a compatible television, or other compatible wireless devices that meets the Covered Equipment’s connectivity specifications and runs an operating system supported by the Covered Equipment.
